5 August 2014

Dear Mr. and Mrs. Hammel,

On behalf of the Lemur Conservation Foundation, I would like to express our gratitude for your donation of \$50. Because there are no goods or services involved in this transaction, your entire gift is tax deductible. Please keep this written acknowledgment of your donation for your tax records.

Your commitment helps us ensure that lemurs survive the challenges they face today, including the threat of extinction. Thanks to your gift, we continue working towards our shared goal: sustainable populations of wild lemurs and prosperous, responsive communities that share their forest home. With your gift, you join with us to find solutions through research, education, and the breeding program at our Myakka City conservation habitats. Your generosity helps us form conservation partnerships with communities in Madagascar and around the world.

Keep up to date with lemur conservation news and our special projects with our biweekly 'Lemur Latitudes' email newsletter. You can subscribe on our website, www.lemurreserve.org, or call us to receive your free subscription.

Thank you again for your generous support. Thanks to you, we are looking forward to another productive and successful year of the lemur!

Sincerely,

Lee Nesler
Executive Director & CEO
